Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant's representative specifically pointed out the extension tag , the previously-set internal channel and channel identifier and disagrees that in combination Yoon et al. and Shiota teaches these limitations. Applicant's representative explained the functionality and attributes of the extension tag , the previously-set internal channel and channel identifier. The applicant's representative was asked to rewrite the extension tag limitation and clearly state the characteristics. Also, the recited limitation previously-set internal channel and channel identifier needed to be further defined. Applicant's representative submitted a drafted amendment on 11/19/2007⁴ all changes were included and are excepted. However, a further search will be conducted due to the more specific limitations submitted.
